## Congrats!

### Your team was selected as an Alternate Finalist!

Your team has been selected as an Alternate Finalist in the 2023-24 Conrad Challenge! This means that your team scored very high among all the submissions in your category, and that is an outstanding accomplishment. As a result, your team could **potentially** attend the 2024 Conrad Challenge Innovation Summit, if a Finalist team in your category is unable to attend in-person and declines their spot!

Finalists are given until **March 1** to confirm their attendance at the 2024 Conrad Challenge Innovation Summit. If one of the Finalist teams neglects to confirm by this date or declines, your team may be contacted via email or phone to attend.

The Conrad Team wants to ensure your team still has access to the same resources given to the Finalists in the weeks leading up to the Innovation Summit. Please keep a very close eye on your email!

**Please do not email the Conrad staff asking if any Finalist teams have declined. If a spot opens up for your team, we will email your entire team and coach with the news!**
